Important Information

Accounts on our Registration Website

Create a free account on our registration website. Setting up an account will ensure you receive important emails about upcoming programming and events and will make the program registration process easier. To register, go to: ChelmsfordCommunityEd.com

Who Can Enroll?

Residents of Chelmsford and non-residents are welcome to enroll in our classes at the same tuition.

How to Register

Online registration is available at ChelmsfordCommunityEd.com. Your new account will let you register and pay online with a credit card.

Questions? Email us at commed@Chelmsford.k12.ma.us

Registration Confirmation

You are officially enrolled as soon as we receive your payment. An email address is required for a confirmation email to be sent to you from ChelmsfordCommunityEd.com.

When Does Registration Begin?

Registration is currently open. We recommend customers register at least two weeks before classes begin. Registering early gives the best chance of classes running.

Registration ends one week prior to the start date for each class.

Course Withdrawal & Refunds

Refunds for a course are handled as follows:

1. A full refund will be given when a class is cancelled due to low enrollment
2. A full refund minus a \$10 processing fee will be given for a cancellation more than 15 days prior to a class start date.
3. A full credit will be given for a cancellation 8-15 days prior to the class start date. Credits expire one year from date of issue.
4. No refund or credit will be given for cancellations 7 days or less prior to class start date.
5. SummerFest & SummerQuest may have a different refund policy. Check our website for details.
6. All classes are non-transferrable. If you are unable to attend a class for any reason, any attempt to transfer your registration to another person will not be honored
7. Manual refund payments require up to a 30-day processing period.
8. Trips have a different refund policy. Please refer to individual trip information for details.
9. To request a refund, email us at adulted@chelmsford.k12.ma.us

Mission Statement

Chelmsford Community Education is a self-sustaining branch of the Chelmsford Public Schools. Learning is a lifelong pursuit, with areas of interest and needs that are vast. Accordingly, our goal is to offer a wide variety of programs. The selections range from academics, enrichment, sports and recreation to childcare services. We strive to provide high quality classes, programs and activities at an affordable price for students of all ages.

Come Teach with Us

If you have a special skill that you would like to share with your community, come teach a class with us! Email your class ideas to Colleen at smithc@chelmsford.k12.ma.us

CHELMSFORD COMMUNITY EDUCATION

170 Dalton Road, Chelmsford, MA 01824

ChelmsfordCommunityEd.com

The goal of Summerfest is to provide a valuable service to the parents of children in the Chelmsford area. The staff will make every effort to provide a safe and harmonious environment in which your child can make age-appropriate choices that lead to sound social, emotional and physical development.

We will have all our favorite areas open this summer: the STEM Room, Art Room, Chill Zone, Gym, Playground, Café, and Outdoor Rec. We will have weekly water features and in-house guests or field trips. Our goal is to allow the children more time to do things they really love, while still offering a variety of options.

Our program will be located at the Chelmsford Community Education Building, 170 Dalton Road 01824 Chelmsford, MA. Summerfest has lots of air-conditioned spots to cool off, and sprinklers and water play will provide refreshing fun on hot days. The staff consists of certified teachers, educational support personnel, nurses, college and high school students.

We will be open from 7:00 a.m. to 6:00 p.m.

A Sneak Peak at Summer!
Moving & Groovin' (7/1-7/3)
Batter Up! (7/8-7/12)
Silly Summer Science (7/15-7/19)
It's a Jungle Out There (7/22-7/26)
Underwater Ocean Commotion (7/29-8/2)
Out of This World (8/5-8/9)

SUMMERQUEST

2024

SummerQuest is our summer program specifically for Preteens and Teens – kids entering 6th through entering 9th grade. Our program is designed to meet the unique needs of our older kids to help keep them entertained and excited during the summer and offer them increased freedom.

We offer a 5-Day week of off-site field trips that will bring your child to a variety of locations with exciting and enriching activities like rock climbing, hiking, museums, laser tag, ropes courses and more! Fridays are a ½ day of a Community Project and Varney Park/Freeman Lake. Our weekly Community Project will help our teens foster an appreciation for our town and keeping it at its best.

SummerQuest is open from 8:00 a.m. to 3:00 p.m. -4-

Private Music

Instruction for all Ages

Chelmsford Community Education offers private, one-on-one music lessons all year. Our qualified instructors are recruited and supervised by CommEd and the Chelmsford Public Schools Fine and Performing Arts Department.

For summer instruments and lesson availability and pricing go to ChelmsfordCommunityEd.com or contact Christopher McGillicuddy at McGillicuddyC@Chelmsford.k12.ma.us

Computer

NEW: Robot

Commanders 101

Understanding how software can interact with robots is a key skill for the STEM jobs of tomorrow. In this class we will provide several playful activities, where students learn about what it means to write, debug, and execute computer programs that communicate with different robotic devices. Using the power of code, students will turn Sphero SPRK+ robots into Magic 8 Balls, automated Red Light/Green Light games, and the arcade classic Pong - and Unruly Splats will become our voting machines, relay races, guessing games, and more.

Location: Commed Rm 21 **Grades:** 2-4

Instructor: Circuit Labs

August 5-9, 8:00am - 11:00am, \$195

Register NOW at
ChelmsfordCommunityEd.com

NEW: Interactive Coding

Students explore Scratch programming, using the MIT-developed programming interface to craft stories and games. Use Makey Makey boards to invent new ways to interact with the Scratch projects using everyday objects. Our circuitry projects will become musical instruments, video game controllers, pressure sensors, and more. Students will learn valuable 21st-century skills while engaging in these fun, creative lessons. Collaborative project challenges enhance teamwork skills and inspire critical thinking. No prior coding experience required.

Location: Commed Rm 21 **Grades:** 3-5

Instructor: Circuit Labs

August 5-9, 11:45am - 2:45pm, \$195

Register for both Circuit Labs classes and get a discount!

Metrocraft

Join our community as we build and govern a world-class Minecraft city, complete with everything needed for incoming residents! Build, budget, and furnish your own house. Plan a marketing campaign as you build your own business. Serve on the city council and vote to shape the city's future as you help create a constitution of laws for your citizens. Right Brain Curriculum teachers will guide you through - demonstrating how math, economics, and community-building are key to a successful, working urban environment. STEM skills have never been so much fun!

Location: Commed Rm 21 **Grades:** 2-5

Instructor: Right Brain Curriculum

July 22-26, 12:00pm - 3:00pm, \$219

Register for Metrocraft & Lego Future House and get a discount!

Computer (cont.)

Register for Dungeons & Dragons and AI Adventures - get a discount!

NEW: AI Adventures

Introduce your child to the world of Artificial Intelligence and inspire their creativity and curiosity!

In this class, your child will have the opportunity to work with some of the latest and most cutting edge AI technologies, such as ChatGPT, Stable Diffusion, DALL-E, and Novel.ai.

They'll learn how to use these tools to create their own chatbots, animations, short stories, and even films!

Location: Commed **Ages:** 7-12

Instructor: Athena Coding

July 22-26, 12:00pm – 3:00pm \$329

AI Adventures/DD Bundle, 8:30am – 3:00pm \$598

Youth Programs

Jr. Alchemists: Chemistry for Kids

Want to master the secrets of the universe? Create a volcanic eruption to rival Pompeii? Pass secret messages to your friends in invisible ink? Learn how to do these and much, much, more!

Junior Alchemists is designed to not only pique an interest in scientific inquiry, but to introduce students to a deeper understanding of its development and application. We allow them to see the basic principles of science in the world around them.

The course is focused on a number of experiments; they are tons of fun, visually appealing, and can safely be reproduced at home for friends and family.

Location: Commed **Ages:** 6-12

Instructor: Athena Coding

July 15-19, 8:30am – 11:30am, \$329

Register for Jr. Alchemists & Hollywood Film Production and get a discount!

The Kids' Newsroom

Extra! Extra! Read all about it! Our classroom will become a working newsroom as we write and publish a class newspaper! Don't like that new school lunch they're serving? Express your feelings on the editorial page. Going to the school soccer game? Bring your camera and reporter's notebook and become a beat reporter for our sports section. Going to the new Frozen sequel? Write a glowing or scathing review. A new teacher at school? Sit down with the new music teacher at school and conduct a hard-hitting interview. Our Right Brain Curriculum instructors will teach you the craft of journalism, including investigative writing, research and editing. The Kids' Newsroom: It's hot off the press!

Location: Commed Rm 21 **Grades:** 2-5
Instructor: Right Brain Curriculum

July 8-12, 8:30am – 11:30am, \$219

NEW: Lego Civics Project

A Lego city comes to life! Join our community as we build and govern a world-class Lego city, complete with everything needed for incoming residents! Build, budget and furnish your own house. Plan a marketing campaign as you build your own business. Serve on the city council and vote to shape the city's future as you help create a constitutions of laws for your citizens. Our Right Brain Curriculum teachers will guide you through - demonstrating how math, economics, and community-building are key to a successful, working urban environment. Social studies have never been so much fun!

Lego Future House

What will life on Earth be like in the year 2122? That is the question you will ponder as our Right Brain Curriculum teachers take you on a tour of smart homes, driverless cars, robotic chefs, self-sustaining skyscrapers and more. Learn how futurists predict life on Earth will evolve and discover how innovators around the world are changing it already. Then it will be your turn to do the imagining. You will create your own Lego house of the future – designing space-age furniture for every room in the house and a futuristic vehicle for the garage. Even the family pet will get a reboot! You will consider how virtual reality, climate change and interactive robots could change life on Earth and beyond.

Location: Commed Rm 21 **Grades:** 2-5

Instructor: Right Brain Curriculum

July 22-26, 8:30am – 11:30am, \$219

NEW: Riddle Rovers Escape Room

Are you up for the challenge? Embark on an unforgettable adventure at Fun4All's Riddle Rovers Escape Room program. Young minds become budding detectives and puzzle solvers. The program is sure to get your wheels turning as you work with others to search for clues and solve puzzles in order to unravel the truth. This exciting program is tailor-made for kids who love challenges, mysteries, and the thrill of escaping from perplexing situations!

Location: Commed **Grades:** 1-6

Instructor: Fun4All Summer Programs

July 8 - 11, 9:00am – 3:00pm \$220

NEW: Plant Pioneers Indoor Gardening

Calling all young nature enthusiasts and aspiring gardeners! Embark on an exciting journey that will be sure to inspire young gardeners to appreciate a variety of plants. Join Fun4All for hands-on learning, creativity, and fun during our Plant Pioneers Program.

Students will learn the fundamentals of indoor gardening including plant care and the importance of sunlight, nutrients, and water.

Students will get the chance to get their hands dirty as they design terrariums and learn about companion plants in their very own herb gardens.

 Session 2: Thursday, August 1, 12:00-2:00pm, \$29

Special Interests

(Cont.)

Summer Chess Program

Join us this summer for tons of challenging chess lessons, exciting games, and cool prizes. You will improve your chess skills, meet new friends, and work out your most powerful muscle – your brain! Our programs include fun team chess games (like corner chess), recess time (of course), snacks, tournaments, and puzzles. Unleash your brain power and spend some of your summer with Chess Wizards.

Everyone receives a Chess Wizards t-shirt, trophy, and puzzle folder.

Location: Commed Rm 10 **Ages:** 6-12

Instructor: Chess Wizards

July 29 – August 2

AM: 9:00am – 12:00pm \$219

PM: 12:00pm – 3:00pm \$219

FULL DAY: 9:00am – 3:00pm \$339

Kid's Test Kitchen

We are redefining kid food! Each class presents students with opportunity to explore new or familiar foods in their raw, unmanipulated state. Then, working as a team, they'll slice, dice, peel, measure, and cook until they've prepared the finished dish. Class closes with opportunity to taste the result of their hard work. Students receive a printed recipe card and the focal ingredient - or a sample of the finished dish - so they can show off what they learned!

Location: Commed

Grades: 1-5

Instructor: Kid's Test Kitchen

July 8-11	12:30-3:30pm	\$260
-----------	--------------	-------

NEW: Dungeons & Dragons

Our exciting and imaginative program provides a fun and engaging way for students to develop their social, problem-solving, and teamwork skills while exploring the thrilling world of D&D. Students are grouped into teams and assigned a dungeon master, who will guide them through a fantastical world filled with monsters, treasure, and challenges. Work together to overcome obstacles and complete quests, fostering a sense of camaraderie and teamwork.

Location: Commed **Ages:** 7-12

Instructor: Athena Coding

Sports & Fitness

Youth Summer Basketball

The purpose of this league is to build sportsmanship and confidence while providing an organized experience to learn and enjoy the game of basketball. It is understood that children will miss games because of other commitments (vacation, other sports, etc.) The program will run as a skills and drills program to begin each class, then will break down to game play at the end of each class. Class size will not exceed 60 per hour based on hoop availability. If numbers exceed that amount, additional time will be opened up to accommodate the additional registrants.

Location: CHS Gym **Grades:** 2 – 9

Begins Monday, July 8th, 6:00pm – 8:00pm, \$95
Program to run on Mondays & Wednesdays

Sports & Fitness (cont.)

Summer Archery

Come join us this Summer and learn one of the fastest growing sports in the country - Archery! Beginners and all skill levels are welcome. Archery program is taught by a certified USA archery level 3 coach from On Site Archery. In this program, you will learn proper archery range procedures, safety and how to shoot a bow and arrow through a step-by-step approach.

Location: Byam Field **Grades:** See Below
Instructor: On-Site Archery
